Discussion of the proposed FY 2016 tax rate of \$.3559 per hundred dollars of valuation		

Strategy Map Connection

B4- Cultivate a culture of transparency and consistent communication
F4- Adhere to the City's financial and budgetary policies

Explanation

Public Hearing

Chapter 26, Texas Property Tax Code, requires taxing units to comply with "Truth-in-Taxation" laws in setting tax rates. The calculated Fiscal Year 2016 (FY 2016) effective tax rate is \$.350960. As the current and proposed rate of \$.3559 is higher than the effective tax rate of \$.350960, legislation requires that a city take several actions in order to be in compliance with Chapter 26 of the Texas Property Tax Code. The City must publish the attached "Notice of 2015 Tax Year Proposed Property Tax Rate for the City of Colleyville". This notice was published in the *Fort Worth Star-Telegram* on Thursday, August 13, 2015. The City must also hold two public hearings on the tax rate. This is the first of the two public hearings, where citizens have an opportunity to address the City Council on the proposed tax rate. The second public hearing will be held on Tuesday, September 1, 2015 at 7:30 p.m., at 100 Main Street, Colleyville, Texas, during the regular City Council meeting. The tax rate is scheduled for adoption at the September 15, 2015 regular City Council meeting.

The FY 2016 proposed tax rate remains at \$.3559 per hundred dollars of valuation for the ninth consecutive year. The average residential value for FY 2015 was \$421,497, and the average residential value for FY 2016 is \$423,650. This equates to an average annual property tax increase of \$7.66 to support City services. If the taxable valuation for a residence did not increase from FY 2015, there is no corresponding increase in taxes paid, as there is no proposed tax rate increase in FY 2016.

As a point of reference, the effective tax rate calculation sets the interest and sinking rate (Debt Service Fund rate) at \$.01966. The remainder of the tax rate of \$.33624 will be allocated to operations and maintenance (General Fund rate). The ordinance adopting the FY 2016 tax rate will reflect these rates, as required by the effective tax rate calculation.

Attachments

1. Notice of 2015 Tax Year Proposed Property Tax Rate for the City of Colleyville

NOTICE OF 2015 TAX YEAR PROPOSED PROPERTY TAX RATE FOR CITY OF COLLEYVILLE

A tax rate of \$0.355900 per \$100 valuation has been proposed for adoption by the governing body of City of Colleyville. This rate exceeds the lower of the effective or rollback tax rate, and state law requires that two public hearings be held by the governing body before adopting the proposed tax rate.

PROPOSED TAX RATE	\$0.355900 per \$100
PRECEDING YEAR'S TAX RATE	\$0.355900 per \$100
EFFECTIVE TAX RATE	\$0.350960 per \$100
ROLLBACK TAX RATE	\$0.376023 per \$100

The effective tax rate is the total tax rate needed to raise the same amount of property tax revenue for City of Colleyville from the same properties in both the 2014 tax year and the 2015 tax year.

The rollback tax rate is the highest tax rate that City of Colleyville may adopt before voters are entitled to petition for an election to limit the rate that may be approved to the rollback rate.

**YOUR TAXES OWED UNDER ANY OF THE ABOVE RATES CAN BE CALCULATED AS
FOLLOWS:**

$$\text{property tax amount} = (\text{rate}) \times (\text{taxable value of your property}) / 100$$
