**Discussion of Proposed FY 2022
Colleyville Crime Control
Prevention District Budget
(CCCPD)**

**CCCPD Board Meeting
July 6, 2021**

Creation and Authorization

- The CCCPD was first established in 1999 by local voters for an initial five year period
- In 2003, voters renewed the District for an additional 20 year period
- The District will be eligible for renewal again in 2023

District Powers

- Local Government Code Chapter 363, Section 363.151

“The district may finance all the costs of a crime control and crime prevention program, including the costs for personnel, administration, expansion, enhancement, and capital expenditures.”

Updates on Previous FY Initiatives

Funding for CAD/RMS System Replacement Approved for FY20 / FY21

- Consortium of Colleyville, Southlake, and Keller selected a CAD and RMS vendor (CentralSquare) and began implementation in 2021. We are approximately six months into the implementation and are on schedule. We are approximately a year out from Go Live.
 - Funding approved for FY21 was \$550,000 (est. implementation costs)
 - Keller received a grant for \$338,757 which lowered our actual costs
 - Actual costs are now \$124,880 over FY21 and FY22

CALEA Accreditation

- The department has been pursuing national accreditation through CALEA since 2018. We will be undergoing our first compliance review and on-site assessment in the coming weeks/months. If all goes well, we will be up for review by the Commission near the end of the year. The department was re-recognized as an accredited agency in Texas in 2019 and this recognition goes through 2023.

New Initiatives for FY22

Mobile Field Force Training

- Provide department-wide training on crowd-control techniques and strategies. (Requesting \$10,000 one-time)

Guardian Wellness Program Expansion

- In 2019, we developed and implemented a department-wide comprehensive wellness program specifically designed for the Police Department called Guardian Wellness. The program has four pillars (Physical, Spiritual, Emotional, and Financial) and we focus on one pillar per quarter. A healthier department means healthier homes for our employees and ultimately better service for our community. (Requesting \$4,000 annually)

Safeguarding Program for Detectives

- Psychological / Counseling services provided to our Detectives working Child Sexual Exploitation cases. Work exposure to these crimes can have lasting psychological impacts to our Officers. This program includes required visits to psychologist / counselor for baseline assessment/check-ins and access to psychologists / counselors as needed. Approved initiative for FY21. (Requesting \$1,600 annually)

Scheduling Software Subscription

- This modern Police online scheduling software will replace spreadsheets and printed leave requests with a scheduling system accessible from any device with an internet connection. Will save supervisor time and provide scheduling and personnel planning efficiency. Approved initiative for FY21. (Requesting \$2,075 annually)

Justice Center Security Enhancements

- Security enhancements to the building/grounds to better protect Police and Court personnel and equipment. Includes replacement of chain link fence with brick wall similar to what's already built in the front, rolling metal panel gates, covered parking structures, protective bollards, mirrored film on glass for offices backing up to pedestrian walking trail.
- The item was approved as a CIP project for FY21 and should be completed by the fall. As part of the annual budgeting process, we analyze what expenditures come from what fund. We believe the use of CCCPD for this capital expenditure is the best source of funds. (\$250,000)

Ongoing Initiatives:

- Funding of Salary and Benefits for thirteen (13) sworn officer positions
 - We are currently authorized for 44 sworn city-wide
- Funding for a part-time Accreditation Coordinator position
- Funding for two part-time Public Service Officer positions
- Records Management System software (CRIMES) and maintenance

Ongoing Initiatives (cont):

- All Police Department vehicles funded through CCCPD budget
 - Utilizing Enterprise for all fleet needs city-wide
- Continuation of weapons replacement schedule
- Funding for SWAT training and equipment. We fill up to three slots on the Northeast Tarrant SWAT Team. This line item sets aside funding for all the necessary equipment and training for our members of the team.
- Funding for safety equipment and on going replacement, these items include collapsible rubber base traffic cones for each patrol unit
- Funding for software license for the two radar signs. This program allows for timely, effective, and accurate reporting of all data collected by our two radar signs

Ongoing Initiatives (cont):

- Funding for Early Warning System / Internal Affairs System Annual Subscription
- Funding for Crime Scene Response
- Funding for annual training for de-escalation / crisis intervention and leadership development training

- 5-Year projection allows for longer term planning and forecasting
- Current expenditures funded by the CCCPD are projected to continue
- Certain equipment replacement, capital, and facility needs vary from year to year
- As of FY20, the CCCPD remains debt-free
